 List of Tables..... vi

## PART ONE

**Introduction ..... 1-1**  
 Background..... 1-1  
 Study Purpose..... 1-1  
**Overview of Project..... 1-2**  
 Public Involvement..... 1-2  
 Field Data Collection..... 1-2  
 Development of Solutions..... 1-3  
**Adams Morgan in Context ..... 1-4**  
 Historical Background..... 1-4  
 Contemporary Picture..... 1-4  
 The Failings of Success..... 1-5  
 Future Development..... 1-5  
**Development of Solutions..... 1-6**  
 Families of Solutions..... 1-6  
 Gateways..... 1-7  
 Core Commercial Streets ..... 1-7  
 One-Way Street Systems ..... 1-7  
 Parking and Loading..... 1-7  
 Taxis ..... 1-7  
 Street Hierarchy..... 1-7  
 Transit..... 1-8  
 Bicycles and Pedestrians..... 1-8

## PART TWO

**Gateways .....2-1**  
 18th Street and Columbia Road .....2-2  
 Previous Studies.....2-2  
 Roundabout.....2-2  
 Signalized Intersection.....2-4  
 18th Street and Florida Avenue.....2-5  
**Core Commercial Streets .....2-7**  
 Background.....2-7  
 The Problem .....2-7  
 Courses of Action.....2-8  
**One-Way Street System.....2-11**  
 Existing One-Way Streets .....2-11  
 Rational One-Way Street Systems .....2-11  
 One-way Streets for Adams Morgan .2-12  
**Parking and Loading .....2-14**  
 Background.....2-14  
 The Problem .....2-15  
 Courses of Action.....2-16  
**Taxi Operation .....2-20**  
 Background.....2-20  
 The Problem .....2-20  
 Course of Action .....2-20  
**Street Hierarchy and Network Alterations .....2-22**  
 Types of Street .....2-23  
 Community Arterial.....2-23  
 Residential Connector .....2-23

Shared Surface.....2-23  
 Role of Parking Regulations.....2-24  
 Methods of Traffic Calming.....2-25  
 Raised Intersection .....2-25  
 Bulb-Outs.....2-25  
 One-Lane Sections.....2-25  
 Speed Humps .....2-26  
 Horizontal Deflections.....2-26  
 Network Alterations.....2-26  
 Champlain Street .....2-26  
 Extending Kalorama Park .....2-27  
 Wyoming Avenue.....2-27  
**Transit.....2-28**  
 Basic Enhancement Concepts.....2-28  
 Signing.....2-29  
 Existing Service Extensions,  
 Diversions, and Schedule.....2-29

 Stops and Shelters .....2-33  
 Existing Service Extensions .....2-34  
 Further Enhancement Concepts and  
 Consolidation .....2-35  
 From Shelters to Stations.....2-36  
 Real Time Information .....2-36  
 Route Consolidation .....2-36  
 Right-of-Way .....2-36

**Bicycles and Pedestrians..... 2-37**  
 Background.....2-37  
 Bicycles.....2-37  
 Pedestrians.....2-37  
 The Problem .....2-38  
 Courses of Action.....2-39  
 Bicycles.....2-39  
 Pedestrians.....2-40

PART THREE

**Recommendations ..... 3-1**  
 18th Street ..... 3-1  
 Gateway Intersections.....3-1  
 Traffic Elements / Options.....3-3  
 Streetscape and Landscape Elements /  
 Options .....3-7  
 Ideas dropped.....3-10  
 Columbia Road.....3-13  
 Commercial and Non-  
 commercial.....3-13  
 Traffic Elements / Options.....3-13  
 Streetscape and Landscape  
 Elements .....3-14

Parking in Adams Morgan.....3-19  
 Recommendation — On-Street ....3-19  
 Recommendation — Off-Street....3-23  
 Fall-Back .....3-23  
 No Action .....3-24  
 Taking It Further .....3-24  
 Ideas Dropped.....3-26  
 Transit in Adams Morgan.....3-27  
 Preferred Recommended  
 Measures .....3-27  
 Fall Back.....3-30  
 Taking It Further .....3-30  
 Status Quo .....3-32  
 Vision.....3-32

PART FOUR

**Next Steps..... 4-1**  
 Implementation Timeframes.....4-1  
 Short-Range Implementation .....4-2  
 Long-Range Implementation.....4-3  
 Institutional Action .....4-4

PART FIVE

**Appendices ..... 5-1**  
 Appendix A: Public Participation ..... 5-1  
 Steering Committee..... 5-1  
 Steering Committee Meetings..... 5-2  
 Public Meetings..... 5-2  
 Focus Groups ..... 5-3  
 Outreach Efforts and Techniques.. 5-3  
 Study Website..... 5-4  
 Comments Received Via Website &  
 Email..... 5-4  
 Appendix B: Calculations and  
 Estimations..... 5-6  
 Marie Reed garage cost estimates .. 5-6  
 Meter revenue estimates ..... 5-7  
 Truck loading space requirements 5-8  
 Intersection capacity calculations 5-10  
 Appendix C: References and  
 Bibliography..... 5-11
