

## ACKNOWLEDGMENTS

It is impossible to acknowledge everyone who has provided encouragement and helped develop the knowledge to complete this book. Here are some of them.

The Transportation design department at Art Center College of Design in Pasadena, past and present, specifically Ken Okuyama, Stewart Reed and John Krsteski. Special thanks to Geoff Wardle for his support on this project and to the trans students who have been a huge inspiration.

The Design Office team at Chrysler in Detroit and Southern California, past and present. With special thanks to: Phil Gavie, Doug Stafford, The Viper Team, Ernie Barry, Bob Hubbach, Mike Castiglione, Akino Tsuchiya, Mark Moushegian, Alan Barrington, Ron Kyzinski, Ivo Milosavlevski, Jordan Meadows, Bryan Nesbitt, Freeman Thomas and Ralph Gilles.

The design and engineering teams at Porsche in Weisach, Daf Trucks in Eindhoven, Volvo in Gothenborg and IAD in England. Also to the guys at Vosper Thornycroft in Portsmouth, especially Alan Cornish and dad's best mate, Sam Bailey.

Special thanks also to the Society of Automotive Engineers (SAE) and their associates for developing the tools and methods that we use every day to package cars and trucks.

A huge thanks to my family: Gillian, Alan, Victoria, Haley and Shirley for your patience and support.

Finally, the great vehicle architects, inventors and industrialists who have created the design icons that we know and love, namely: Gottlieb Daimler, Carl Benz, Ferdinand and Ferry Porsche, Erwin Komenda, Henry Ford, Ettore and Jean Bugatti, Paul Jaray, Gerald Palmer, Sir Alec Issigonis, Dante Giacosa, Rudolf Hruska, Colin Chapman, Sir William Lyons, Enzo Ferrari, Jim Hall, and Gordon Murray to name just a few.
