
CONTENTS – TECHNICS 2014

NEW MATERIALS

Original scientific paper

- Ivan Stoševski, Jelena Krstić, Nikola Vokić, Zorica Kačarević Popović, Šćepan Miljanić,
**Radiolitic Synthesis and Characterization of PVA and Chitosan Based Conductive
Polymer Membrans for Alkaline Fuel Cells** 9

OUR CIVIL ENGINEERING

Original scientific papers

- Nikola Tošić, Snežana Marinković, **Calibrating and Validating a FE Model for Long-term
Behavior of RC Beams** 17
- Žikica Tekić, **Experimental Determination of Load Bearing Capacity of Connections
Realized by Punched Plate Fastener** 25

MINING, GEOLOGY AND METALLURGY

Original scientific papers

- Sreten Beatović, Dinko Knežević, Lazar Stojanović, Slavko Torbica, Živko Sekulić, **Influence of
Ash Slurry Preparation Method on Characteristics of Ash Disposed from the
Thermal Power Plant “Gacko”** 35
- Violeta Stefanova, Todor Serafimovski, Goran Tasev, **Morphological and Chemical
Characteristics of the Placer Gold Deposits from Meckin Dol, Locality of Borov Dol,
Eastern Macedonia** 44

MECHANICAL ENGINEERING

Original scientific papers

- Najdan Vuković, Zoran Miljković, **Machine Learning of Radial Basis Function Neural
Networks with Gaussian Processing Units Using Kalman Filtering - Introduction** 53
- Najdan Vuković, Zoran Miljković, **Machine Learning of Radial Basis Function Neural Networks with
Gaussian Processing Units Using Kalman Filtering – Experimental Results** 61
-

ELECTRICAL ENGINEERING

Original scientific paper

Miljana Milić, Vančo Litovski, **Statistical Delay Estimation in Digital Circuits Using VHDL**..... 71

Review paper

Mirjana Simić, Predrag Pejović, **Deterministic Approach for Mobile User Positioning in Radio Systems** 79

TRAFFIC

Original scientific paper

Vladimir Đorić, **Methodology for Collecting Instantaneous Vehicle Emissions on Street Network** 89

Previous announcement

Nikola Čelar, **Analytical Delay Models for Signalized Intersection** 97

MANAGEMENT

Original scientific papers

Aleksandar Vučković, Marko Mihić, Dejan Petrović, **Strategic Management of Energy Efficiency Project Portfolio in Public Buildings** 105

Darko Božanić, Dragan Pamučar, Boban Đorović, **Modification of Analytic Hierarchy Process (AHP) Method and its Application in the Defense Decision-making** 111

QUALITY IMS, STANDARDIZATION AND METROLOGY

Previous announcement

Radoje Jevtić, **Simulation of the Shopping Centre „Zona I“ Evacuation** 121

Professional paper

Goran Orašanin, Dragana Ristić, Dalibor Vlaški, Branko Vučijak, **Development of Methodology for Evaluation and Real Water Loss Reduction in Water Supply Systems in Transition Countries** 126
