Web Design Siniša Kljajić

Printed by Markos, Banja Luka

Printed in 300 copies

The TTTP Journal is an international scientific journal published in English language with both electronic and printed versions.

The aim and scope of the Traffic and Transport Theory and Practice (TTTP) Journal is:

- Provide international dissemination of knowledge and contributions to the science and practice in the field of traffic and transportation
- Promote and exchange information and knowledge in the transportation research arena and its application
- Explore the new trends in development and invention related to the efficiency, reliability, safety and economically and ecologically sustainable transportation.

TTTP provides conditions and positive environment for the new idea promotion, exchange research results and achievements accomplished by the scientific community from academia and transportation industry.

Research Areas

- Traffic engineering operations and technology
- Transport economics
- Transport planning
- Management in transport
- Safety and security in transport
- Ecology in transport
- Vehicle and maintenance
- Transport infrastructure
- Urban transport
- Intermodal transport
- Intelligent transport systems
- Logistics in transport
- Transport policy
- Education in transportation
- Sustainable transport
