NOTE ON PROPRIETARY STATUS

This dictionary includes some words which have, or are asserted to have, proprietary status as
trade marks or otherwise. Their inclusion does not imply that they have acquired for legal
purposes a non-proprietary or general significance, nor any other judgement concerning their
legal status. In cases where the editorial staff have some evidence that a word has proprietary
status, this is indicated in the entry for that word by the abbreviation *prop.* but no judgement
concerning the legal status of such words is made or implied hereby.
