

New Headway English Course is a development of the highly successful multi-level *Headway* series. The original coursebooks have been rewritten to include new features, activities, and, above all, new material to make the learning of English stimulating and motivating for both adult and young adult learners. The course combines the best of traditional methods with more recent approaches to help students use English accurately and fluently, and provides a fully comprehensive language teaching series from beginner to advanced.

New Headway Pre-Intermediate follows on from the foundations laid in *New Headway Elementary*. Students' understanding of English is widened, and their abilities to use the language for communicative purposes are extended.
