

PREFACE

ix

INTRODUCTION

xi

GETTING STARTED IN THE LABORATORY

xvii

1. Back

1

Superficial Muscles of the Back

3

Deep Muscles of the Back

6

Suboccipital Triangle

8

Vertebral Canal and Spinal Cord

8

2. Pectoral Region

13

3. Axilla

17

4. Triangles of the Neck

23

Posterior Triangle

25

Anterior Triangle

28

5. Structures under the Sternocleidomastoid

33

6. Root of the Neck

37

7. Head and Neck

41

Face

41

Temporal and Infratemporal Regions

47

Cranial Cavity

51

Cranial Meninges and Dural Venous Sinuses

53

Brain

56

Cranial Fossae

60

Orbit

63

Eyeball

67

Prevertebral Region

69

Mouth

74

Oral Cavity (Detail)	75
Tongue	78
Pharynx	79
Nasal Cavities	83
Maxillary Nerve and Pterygopalatine Fossa	85
Submandibular Region	86
Internal Ear and Facial Nerve	88
Middle Ear	89
External Ear	90
8. Larynx	91
9. Thorax	95
Thoracic Wall	95
Thoracic Cavity	96
Pleura	98
Mediastinum	102
Pericardium	106
Heart	109
Trachea, Bronchi, and Lungs	118
Posterior Mediastinum	122
10. Abdominal Wall	127
Surface Anatomy	127
Topographical Regions	127
Abdominal Muscles and Companion Structures	129
11. Penis, Scrotum, and Testes	139
12. Inguinal Region	143
Inguinal Hernia	144
13. Abdominal Cavity	147
Inspection of Viscera	147
Peritoneum	148
Stomach	156
Spleen and Liver	157
Large and Small Intestines	159
Duodenum and Pancreas	162
Suprarenal Glands and Kidneys	165
Abdominal Aorta and Inferior Vena Cava	166

14. Diaphragm and Posterior Abdominal Wall	169
15. Perineum	173
Anal Triangle	175
Male Urogenital Triangle	177
Female Urogenital Triangle	180
16. Pelvis Minor	183
Male Pelvis	184
Female Pelvis	191
17. Superior Extremity	199
Surface Anatomy	199
Cutaneous Veins and Nerves	200
Deltoid Region	203
Scapular Region	203
Subscapular Region	206
Flexor Region of the Arm	207
Cubital Fossa	208
Flexor Region of the Forearm	210
Palm of the Hand	215
Extensor Region of the Arm	219
Extensor Region of the Forearm and Hand	221
Joints	225
Acromioclavicular Joint	226
Shoulder Joint	227
Elbow Joint	228
Wrist Joint	228
Carpal and Metacarpal Joints	229
18. Inferior Extremity	231
Surface Anatomy	231
Cutaneous Veins and Nerves	233
Thigh	236
Extensor Region of the Thigh	237
Adductor Region of the Thigh	242
Gluteal Region	244
Flexor Region of the Thigh	247
Popliteal Fossa	249
The Leg	251
Posterior Crural Region	251
Lateral Crural Region	256
Anterior Crural Region	258
Dorsal Region of the Foot	260
Sole of the Foot	261

Joints

Sacroiliac Joint

Hip Joint

Knee Joint

Ankle Joint

Tarsal and Metatarsal Joints

267

267

267

270

272

272

275
