

To our valued readers,

Harbor Light Press was created as an imprint of Sybex, Inc. to help business professionals acquire the practical skills and knowledge they need to meet today's most pressing business challenges.

Our books serve the people responsible for getting the job done—project managers charged with delivering a product on time and under budget; human resource directors faced with a complex array of resource decisions; support staff determined to exceed the goals set for them; and others who recognize that great business plans are only as good as the people who implement and manage them.

Harbor Light Press is committed to publishing authoritative, reliable, yet engaging business books written by authors who are outstanding instructors and experienced business professionals. The goal for all of our books is to connect with our readers, to understand their needs, and to provide them with solutions that they can put to use immediately.
