

Be a TIPTOP Server!

*Learn the truth behind making big tips and
earn what your worth.*

(J.D. Marshall)

I would like to first thank you for taking the time to read this manual. Then I want to thank you for choosing a career that is fulfilling, rewarding, lucrative and challenging. Without you the restaurant server providing excellent service, many a diner would stay home and restaurants would have to close their doors.

Good luck and Great Tips,

J.D. Marshall
