

Celebration of Fools: An Inside Look at the Rise and Fall of JCPenney

by Bill Hare

ISBN:0814471595

AMACOM © 2004

The author looks at JCPenney from its beginning in 1902 as a dry goods store, through its rise into a successful chain of full-service department stores rivaled only by Sears, Roebuck, to its fall into bankruptcy in the 1990s due to corporate bungling.

Table of Contents
