

How Intranets Work

Preston Gralla

CONTENTS

Chapter 1 [A Global View of Intranets](#)

- [A Global View of an Intranet](#)

Chapter 2 [How TCP/IP Works](#)

- [How TCP/IP and IPX Work on Intranets](#)
- [How the OSI Model Works](#)
- [How TCP/IP Packets Are Processed](#)

Chapter 3 [How Bridges Work](#)

- [How Bridges Work](#)

Chapter 4 [How Intranet Routers Work](#)

- [How Intranet Routers Work](#)

Chapter 5 [How Intranet E-Mail Works](#)

- [How E-Mail Is Delivered within an Intranet](#)
- [How E-Mail is Delivered among Intranets](#)

Chapter 6 [How Intranet Web Servers and Browsers Work](#)

- [How Intranet Webs Work](#)

Chapter 7 [How the Domain Name System \(DNS\) Works](#)

- [How Intranet Domain Name System \(DNS\) Servers Work](#)

Chapter 8 [How Java Works](#)

- [How Java Works](#)

Chapter 9 [How Common Gateway Interface \(CGI\) Works](#)

- [How Common Gateway Interface \(CGI\) Works](#)

Chapter 10 *Subnetting an Intranet*

- [Subnetting an Intranet](#)

Chapter 11 *How Converting IPX Networks to an Intranet Works*

- [How Converting IPX to an Intranet Works](#)

Chapter 12 *Overview of an Intranet Security System*

- [Overview of an Intranet Security System](#)

Chapter 13 *How Filtering Routers Work*

- [How Filtering Routers Work](#)

Chapter 14 *How Firewalls Work*

- [How Firewalls Work](#)

Chapter 15 *How Proxy Servers Work*

- [How Proxy Servers Work](#)

Chapter 16 *How Bastion Hosts Work*

- [How Bastion Hosts Work](#)

Chapter 17 *How Encryption Works*

- [How Encryption Works](#)
- [How Cryptosystems Work](#)

Chapter 18 *How Passwords and Authentication Systems Work*

- [How Passwords Work](#)
 - [Password Authentication Protocol](#)
 - [Challenge Handshake Authentication Protocol](#)
- [How Additional Authentication Systems Work](#)

Chapter 19 *Virus Protection and Hostile Applets*

- [How Intranet Virus Scanning Software Works](#)
- [How a "Hostile" Java Applet Can Attack an Intranet](#)

Chapter 20 *How Site Blocking Works*

- [Blocking Objectionable Sites from an Intranet](#)

Chapter 21 [*How Intranet Monitoring Software Works*](#)

- [How Intranet Monitoring Software Works](#)

Chapter 22 [*How Virtual Secure Private Networks Work*](#)

- [How Virtual Secure Private Networks Work](#)

Chapter 23 [*A Global View of Groupware*](#)

- [A Global View of Groupware](#)

Chapter 24 [*How Intranet Discussion Software Works*](#)

- [Using Intranet Discussion Software](#)

Chapter 25 [*How Intranet Videoconferencing Software Works*](#)

- [How CU-See-Me Intranet Videoconferencing Works](#)

Chapter 26 [*How Intranet Whiteboard Applications Work*](#)

- [How Intranet Whiteboard Applications Work](#)

Chapter 27 [*How Document Management Systems Work*](#)

- [How Document Management Systems Work](#)

Chapter 28 [*Using Web-to-Database Query Tools*](#)

- [How Web-to-Database Query Tools Work](#)

Chapter 29 [*How Intranets Can Cut the Corporate Paper Trail*](#)

- [How Intranets Can Cut the Corporate Paper Trail](#)

Chapter 30 [*Incorporating Legacy Systems and Data into an Intranet*](#)

- [Incorporating Legacy Data into an Intranet](#)

Chapter 31 [*Doing Commerce on an Intranet*](#)

- [How Financial Transactions Work on an Intranet](#)
- [Doing Business with Customers Using an Intranet](#)

- [Business-to-Business Transactions Using Intranets](#)

Chapter 32 [How Intranet Search Tools and Spiders Work](#)

- [How Intranet Search Tools Work](#)

Chapter 33 [How Remote Access Works](#)

- [Providing Remote Access to an Intranet](#)

Chapter 34 [How Technical Support Works on an Intranet](#)

- [Using an Intranet to Provide Technical Support](#)

Chapter 35 [Using an Intranet to Disseminate Internal Corporate News](#)

- [Disseminating Corporate News and Documents via an Intranet](#)
- [Using Offline Web Readers to Deliver Corporate Information](#)

Chapter 36

- [Using Multimedia Applications to Train Employees](#)
