

The AMA Trainers' Activity Book: A Selection of the Best Learning Exercises  
from the World's Premiere Training Organization

by Carolyn Nilson

ISBN:0814408141

AMACOM © 2004

Reflecting the most up-to-date concerns of participants, trainers, and managers,  
this book addresses fundamental learning categories including learning and  
creativity, communication and connection, influence, compromise, problem  
solving, and leadership.
