

Library of Congress Cataloging-in-Publication Data

Daly, James C., 1938-

Analog BiCMOS design : practices and pitfalls / James C. Daly, Denis P. Galipeau.
p. cm.

Includes bibliographical references and index.

ISBN 0-8493-0247-1 (alk. paper)

1. Metal oxide semiconductors, Complementary—Design and construction. 2. Bipolar integrated circuits—Design and construction 3. Linear integrated circuits—Design and construction. I. Galipeau, Denis P. II. Title.
