Introduction . . . . . xxxix

## Part I: Getting Started 1

### Chapter 1: What's New in Windows XP SP2? . . . . . 3

The New Security . . . . . 3  
    Virus protection la DEP . . . . . 5  
    Outlook Express virus protection . . . . . 5  
    Built-in pop-up blocker . . . . . 5  
    Stay in control with the Information bar . . . . . 6  
    Regain control of your Web browser . . . . . 6  
Wireless Network Setup Wizard . . . . . 7  
Safe and Secure Home Networking . . . . . 8  
Bluetooth Is Really Here . . . . . 8  
UPnP, Too . . . . . 9  
Windows Media Player 10 . . . . . 10  
Windows Movie Maker 2.1 . . . . . 10  
Service Pack 2 Support Center . . . . . 11  
And So Much More . . . . . 11  
Wrap Up . . . . . 12

### Chapter 2: Getting Around in Windows XP . . . . . 13

What's on the Desktop . . . . . 13  
Using the Start Button . . . . . 15  
    User account . . . . . 16  
    Program icons . . . . . 16  
    The right side of the Start menu . . . . . 18  
    The All Programs menu . . . . . 18  
    Arranging menu items . . . . . 19  
Using the Windows Desktop . . . . . 20  
    About desktop icons . . . . . 20  
    Arranging desktop icons . . . . . 22  
Running Programs . . . . . 23  
    The active window . . . . . 24  
    Arranging program windows . . . . . 26  
    Sizing program windows . . . . . 27  
    Moving a program window . . . . . 30  
Closing a Program . . . . . 31  
Using the Quick Launch Toolbar . . . . . 31

Using the Notification Area . . . . .	33
Showing/hiding notifications . . . . .	34
Responding to notification messages . . . . .	35
Using Show/Hide Buttons . . . . .	35
Using Dragging Handles . . . . .	36
The All-Important Undo . . . . .	37
Shutting Down Your Computer . . . . .	38
Wrap Up . . . . .	39

### **Chapter 3: Files, Folders, Documents, and Icons . . . . . 41**

Document Icons . . . . .	41
Folder Icons . . . . .	43
How folders are organized . . . . .	44
Parents and children . . . . .	44
Document folders you already have . . . . .	46
Navigating Folders . . . . .	47
Opening folders . . . . .	49
To click or double-click . . . . .	49
About the Desktop folder . . . . .	50
Showing and hiding filename extensions . . . . .	51
Lateral moves through the hierarchy . . . . .	52
Arranging icons in Explorer . . . . .	57
Umpteen ways to view icons . . . . .	58
Filmstrip view . . . . .	59
Thumbnails view . . . . .	59
Tiles view . . . . .	60
Icons and List views . . . . .	60
Details view . . . . .	61
Closing folders . . . . .	63
Get a Handle on Documents . . . . .	63
Using programs to create documents . . . . .	63
Typing and navigating text . . . . .	64
Editing text . . . . .	65
Selecting text . . . . .	65
Deleting and replacing large chunks of text . . . . .	66
Copying, moving, and pasting text . . . . .	66
Move text within a document . . . . .	68
Adding special characters to text . . . . .	69
Saving and Downloading Documents . . . . .	70
Downloading a document . . . . .	70
Using the Save As dialog box . . . . .	71
Naming a document . . . . .	73
Closing a Document . . . . .	74
Working with Multiple Document Windows . . . . .	75
Opening Documents . . . . .	76
Opening a document from its icon . . . . .	77
Opening documents from programs . . . . .	79
When Windows can't open a document . . . . .	80
Changing a document's format (type) . . . . .	82
Wrap Up . . . . .	83

<b>Chapter 4: Help and Support for Power Users . . . . .</b>	<b>85</b>
Getting What You Need . . . . .	85
Using Windows Help and Support Center . . . . .	86
Quick help . . . . .	90
Help in programs . . . . .	91
Dealing with Error Messages . . . . .	92
Microsoft's Online Help . . . . .	93
Searching the Web for Help . . . . .	94
Wrap Up . . . . .	95
<b>Chapter 5: Troubleshooting Interface Problems . . . . .</b>	<b>97</b>
Desktop Problems . . . . .	97
My screen is too large/small; my screen colors look awful . . . . .	97
When I right-click the Windows desktop, I don't get a Properties option . . . . .	98
Parts of my screen are cut off or blank . . . . .	98
The picture on my desktop isn't right . . . . .	98
Icon names are too big or too small . . . . .	98
I keep getting messages about unused desktop icons . . . . .	99
The Desktop Cleanup Wizard removed icons . . . . .	100
There's a Web page stuck to my desktop . . . . .	100
My Recycle Bin reads Norton Protected . . . . .	100
Start Menu Problems . . . . .	101
My Start menu shows one column, not two . . . . .	101
Some items cannot be shown . . . . .	101
The right side of my Start menu is missing some options . . . . .	101
I don't see the taskbar . . . . .	102
My Taskbar is all messed up . . . . .	102
I don't have a Quick Launch toolbar . . . . .	102
There is no Show Desktop button on my Quick Launch toolbar . . . . .	102
Windows Explorer Problems . . . . .	103
I don't have an Explorer bar . . . . .	103
I don't have a Filmstrip option . . . . .	103
Filmstrip is missing in one folder . . . . .	103
Built-in folder icons are messed up . . . . .	104
Troubleshooting Documents . . . . .	104
You cannot save in the folder specified . . . . .	104
The file name is invalid . . . . .	104
Please insert a disk into drive A: . . . . .	104
You have files waiting to be written to CD . . . . .	104
My document isn't in the Open dialog box . . . . .	105

## Part II: Customizing Windows XP

107

<b>Chapter 6: Setting Up Your Work Environment . . . . .</b>	<b>109</b>
Some General Tips on Customizing . . . . .	109
Customizing Your Desktop . . . . .	111
Creating your own theme . . . . .	112
Changing the picture on your desktop . . . . .	112

Choosing desktop icons . . . . .	113
Choosing a screen saver . . . . .	114
Fine-tuning your color scheme . . . . .	115
Choosing a screen resolution and color depth . . . . .	116
Hidden Display Properties . . . . .	117
Getting the image right . . . . .	118
Saving your theme . . . . .	118
Arranging icons on your desktop . . . . .	119
Personalizing Your Start Menu . . . . .	119
Controlling what you see on the Start menu . . . . .	120
Renaming and removing Start menu items . . . . .	123
Rearranging Start and All Programs menu items . . . . .	123
Customizing the Taskbar . . . . .	124
Moving and sizing taskbar items . . . . .	125
Optional taskbar toolbars . . . . .	127
Introducing Control Panel . . . . .	129
Personalizing Your Mouse . . . . .	130
Mice for lefties . . . . .	131
Adjusting the double-click speed . . . . .	132
Controlling the mouse motion . . . . .	132
Making the mouse pointer more visible . . . . .	132
Changing mouse pointers . . . . .	133
Using ClickLock . . . . .	134
Mouse wheel and AutoScroll . . . . .	134
Personalizing the Keyboard . . . . .	135
Wrap Up . . . . .	136

## **Chapter 7: Sharing a Computer with User Accounts . . . . . 137**

What's a User Account? . . . . .	137
Administrators versus limited users . . . . .	138
Private documents versus shared documents . . . . .	139
The Guest account . . . . .	139
How to Create a User Account . . . . .	140
Logging on to a new account . . . . .	141
About the shared folders . . . . .	142
Getting back to your own user account . . . . .	143
Managing User Accounts . . . . .	143
Creating and managing passwords . . . . .	145
Deleting a user account . . . . .	147
Renaming a user account . . . . .	148
Activating/deactivating the Guest account . . . . .	149
User Accounts behind the Scenes . . . . .	149
The Documents and Settings folder . . . . .	151
User Account subfolders . . . . .	152
Keeping your documents private . . . . .	154
Hidden Administrator accounts . . . . .	155
Moving files between user accounts . . . . .	156
Logging In, Logging Out . . . . .	157
Controlling how users log on . . . . .	159
Keeping E-Mail Separate . . . . .	160
Preventing Forgotten Passwords . . . . .	160
Wrap Up . . . . .	161

<b>Chapter 8: Customizing Startup Options</b> . . . . .	<b>163</b>
First Things First . . . . .	163
Built-in Icons . . . . .	164
The Volume Control icon . . . . .	165
Showing/hiding the clock . . . . .	166
Program Icons in the Notification Area . . . . .	167
Starting Programs Automatically . . . . .	169
Auto-starting a program for all users . . . . .	169
Auto-starting a program for one user . . . . .	170
Preventing auto-start . . . . .	172
Auto-Starting from the Services Snap-In . . . . .	172
Wrap Up . . . . .	176
<b>Chapter 9: Using Speech, Language, and Accessibility Features</b> . . . . .	<b>177</b>
Considering Multiple Users . . . . .	177
Quick-and-Easy Accessibility Setup . . . . .	178
Administering Accessibility Options . . . . .	179
Keyboard accessibility options . . . . .	179
Auditory feedback accessibility options . . . . .	181
Using visual accessibility options . . . . .	182
Using mouse accessibility options . . . . .	182
General accessibility options . . . . .	184
Using Microsoft Magnifier . . . . .	185
Using Microsoft Narrator . . . . .	187
Using the On-Screen Keyboard . . . . .	188
Using the Accessibility Utility Manager . . . . .	189
Using the Language Bar . . . . .	190
Choosing Language bar buttons . . . . .	192
Using Speech Recognition . . . . .	194
What you need for speech recognition . . . . .	195
Seeing if speech recognition is installed . . . . .	195
Installing speech recognition . . . . .	196
Creating a speech profile . . . . .	197
Using speech recognition . . . . .	198
Taking speech recognition for a spin . . . . .	199
Making corrections to dictated text . . . . .	203
Stopping speech recognition . . . . .	204
Increasing dictation accuracy . . . . .	204
Reading Documents Aloud . . . . .	206
Reading E-Books Aloud . . . . .	207
Using Handwriting Recognition . . . . .	208
Handwriting recognition requirements . . . . .	209
Installing handwriting recognition . . . . .	210
Using handwriting recognition . . . . .	211
Multiple-Language Keyboarding . . . . .	212
Setting keyboard languages and layouts . . . . .	213
Switching among languages and layouts . . . . .	214
Removing languages . . . . .	215
Wrap Up . . . . .	215

<b>Chapter 10: Setting Up Multiple Monitors</b> . . . . .	<b>217</b>
Using DualView . . . . .	217
Activating the second monitor . . . . .	219
Arranging the monitors . . . . .	221
Setting monitor resolution and color quality . . . . .	222
Arranging items on the desktop . . . . .	224
Adding More Monitors . . . . .	226
Adding a PCI graphics card . . . . .	231
Using multiple monitors . . . . .	232
Wrap Up . . . . .	234
<b>Chapter 11: Troubleshooting Customization Problems</b> . . . . .	<b>235</b>
Troubleshooting Desktop Customization . . . . .	235
Can't get taskbar back to one row . . . . .	235
Control Panel option on the Start Menu missing or wrong . . . . .	236
Can't drag items on the Start menu . . . . .	236
Troubleshooting User Account Problems . . . . .	237
Can't log in, even with the correct password . . . . .	237
Deleting a shortcut icon from one desktop deletes it from all desktops . . . . .	237
Program reconfigures itself on first use in new user account . . . . .	237
Program won't run in a Limited user account . . . . .	238
"The System Could Not Log you On" message . . . . .	239
Welcome screen appears even with only one user account defined . . . . .	239
User accounts have unknown passwords . . . . .	239
Troubleshooting Startup Problems . . . . .	240
Computer won't start at all . . . . .	240
Computer starts in Safe Mode . . . . .	240
I get a STOP . . . error . . . . .	241
Troubleshooting Accessibility, Speech, and Language Problems . . . . .	241
Troubleshoot speech in Microsoft Word . . . . .	242
Microsoft Reader won't read an e-book . . . . .	242
Troubleshooting Multiple Monitor Problems . . . . .	242
Multiple monitors don't work when one graphics card is PCI . . . . .	242
Changing BIOS settings . . . . .	242

## Part III: Managing Files and Folders

245

<b>Chapter 12: Industrial-Strength File Management</b> . . . . .	<b>247</b>
Windows Explorer Redux . . . . .	247
Choosing Folder Options . . . . .	248
Showing/hiding the Explorer Bar . . . . .	249
Opening multiple instances of Explorer . . . . .	250
Folder Options View tab . . . . .	251
Changing file associations . . . . .	257
Using offline files . . . . .	263
Viewing the Explorer Status Bar . . . . .	264
Customizing Explorer's Toolbar . . . . .	264
Wrap Up . . . . .	266

**Chapter 13: Creating and Managing Folders . . . . . 267**

An Example of Organizing Files . . . . .	267
Downloading and Saving Files . . . . .	268
How to Create a Folder from Explorer . . . . .	271
Saving Files to the New Folder . . . . .	273
Creating a Folder on the Fly . . . . .	274
Personalizing Your Folders . . . . .	275
Changing folder pictures . . . . .	276
Choosing a custom icon for folders . . . . .	277
Finding custom icons . . . . .	279
Hiding (and Unhiding) Folders . . . . .	279
Using Compressed Folders (.zip Files) . . . . .	280
Programs for managing .zip files . . . . .	280
Making .zip files in Windows XP . . . . .	280
E-mailing .zip files . . . . .	282
Using .zip files you've received . . . . .	282
Using self-extracting .zip files . . . . .	284
Using third-party Zip programs . . . . .	285
Using NTFS Compression . . . . .	287
Wrap Up . . . . .	288

**Chapter 14: Managing Disks, Folders, and Files . . . . . 289**

Accessing Removable Disks and Memory Cards . . . . .	289
They're all in your My Computer folder . . . . .	290
Viewing the contents of a removable disk . . . . .	293
Managing files on a network . . . . .	293
Sizes and capacities (KB, MB, GB) . . . . .	294
Selecting Files and Folders . . . . .	297
Selecting multiple icons by dragging . . . . .	297
Selecting all icons in a folder . . . . .	298
Selecting most of the icons in a folder . . . . .	298
Selecting multiple icons using Ctrl and Shift keys . . . . .	299
Selecting across multiple folders . . . . .	300
How much stuff have I selected? . . . . .	301
Renaming Files and Folders . . . . .	302
If you do change the extension . . . . .	303
Renaming multiple files . . . . .	304
Undoing a rename . . . . .	306
Deleting Files and Folders . . . . .	306
Using the Recycle Bin . . . . .	307
Recovering accidentally deleted files . . . . .	308
Permanently deleting Recycle Bin files . . . . .	309
Moving and Copying Files . . . . .	309
Move versus copy . . . . .	309
Moving files to a subfolder . . . . .	310
Moving and copying by dragging . . . . .	311
Move or copy using the Folders list . . . . .	313
Using cut and paste to move or copy files . . . . .	314
Move/copy files using the Explorer bar . . . . .	314
Making a copy in the same folder . . . . .	315
Undoing a move or copy . . . . .	316

Dealing with Read-Only Files . . . . .	316
Managing Files with DOS Commands . . . . .	318
Getting to a command prompt . . . . .	318
Using the command prompt . . . . .	319
Copy and paste in the Command Prompt window . . . . .	319
Searching the Command Prompt window . . . . .	320
Navigating from the command prompt . . . . .	320
Printing a list of filenames . . . . .	322
Wrap Up . . . . .	324
<b>Chapter 15: Using CDs and DVDs . . . . .</b>	<b>325</b>
Understanding CDs . . . . .	325
CD-ROM discs . . . . .	325
CD-Rs . . . . .	326
CD-RWs . . . . .	326
Data CD versus audio CD . . . . .	327
X marks the speed . . . . .	328
Using CDs . . . . .	328
Setting Defaults for CDs and DVDs . . . . .	329
Copying Files from a CD . . . . .	332
Copying Files to CDs . . . . .	334
Another way to copy files to CDs . . . . .	337
Deleting temporary files . . . . .	338
Erasing CD-RWs . . . . .	339
Duplicating a CD . . . . .	339
About CD-Burning Software . . . . .	340
Formatting blank CDs . . . . .	340
Understanding DVDs . . . . .	341
DVD-R and DVD+R . . . . .	342
DVD-RWs and DVD+RWs . . . . .	342
DVD-RAMs and DVD DLs . . . . .	342
Wrap Up . . . . .	343
<b>Chapter 16: Creating Shortcuts to Favorite Places . . . . .</b>	<b>345</b>
Creating Desktop Shortcuts . . . . .	345
Shortcuts to Web pages . . . . .	347
Shortcut icons . . . . .	347
Using desktop shortcuts . . . . .	348
Customizing Shortcuts . . . . .	349
Changing a shortcut's icon . . . . .	349
Shortcut keys for shortcuts . . . . .	350
Controlling how an item opens . . . . .	351
Make your own ToolTip . . . . .	351
Where is this thing anyway? . . . . .	352
The Start In option . . . . .	353
Running a shortcut's program as another user . . . . .	353
General properties for a shortcut icon . . . . .	354
Moving and Copying Shortcut Icons . . . . .	354
Handy Places for Shortcuts . . . . .	355
Putting shortcuts on the Quick Launch toolbar . . . . .	355
Using the Desktop toolbar . . . . .	356

Creating a Custom Shortcuts toolbar . . . . .	356
Adding shortcuts to the Start menu . . . . .	358
Putting shortcuts in folders . . . . .	358
Who Gets What Desktop Icons? . . . . .	359
Using the Desktop Cleanup Wizard . . . . .	360
Wrap Up . . . . .	360
<b>Chapter 17: Searching for Files and Folders . . . . .</b>	<b>363</b>
Using the Search Companion . . . . .	363
Specifying the filename, properties, or contents . . . . .	365
Starting the search . . . . .	369
Using the search results . . . . .	370
Saving and reusing search criteria . . . . .	372
Customizing the Search Companion . . . . .	373
Searching the Internet with the Search Companion . . . . .	375
Searching for Computers or People . . . . .	377
Industrial-Strength Document Searching . . . . .	378
How the Indexing Service works . . . . .	379
Using the Indexing Service query language . . . . .	380
Submitting Index Service queries . . . . .	385
Wrap Up . . . . .	386
<b>Chapter 18: Realistic Backup Strategies . . . . .</b>	<b>387</b>
The Problem with Backups . . . . .	387
Backing Up Windows XP and Programs . . . . .	388
Backing Up Documents . . . . .	389
Backing Up Settings . . . . .	390
Backing Up E-Mail Messages and Contacts . . . . .	391
Backing up Outlook Express messages . . . . .	392
Backing up Windows Address Book . . . . .	392
Backing up Outlook Express mail account data . . . . .	393
Recovering lost Outlook Express data . . . . .	394
Backing Up Your Favorites . . . . .	395
Using NT Backup . . . . .	395
Wrap Up . . . . .	398
<b>Chapter 19: Troubleshooting File and Folder Problems . . . . .</b>	<b>399</b>
Explorer bar is missing . . . . .	399
Files and Folders Tasks not available in Explorer bar . . . . .	399
Can't open source/destination folder in a separate window . . . . .	399
When I try to select by dragging, the icons move, and nothing is selected . . . . .	400
Error message "Cannot delete/rename/move file: The file is in use by . . . ." . . . . .	400
Error message "Source and Destination are the same" . . . . .	400
Error message "If you change a file name extension, the file may become unstable." . . . . .	400
Error message "This folder already contains a file named . . . ." . . . . .	400
"Problem with Shortcut" dialog box opens . . . . .	400
Deleting a shortcut from my desktop deletes it from all users' desktops . . . . .	401

Troubleshooting CDs and DVDs . . . . .	401
Error message “Invalid function” when attempting to write files to a CD . . . . .	401
Writing files to a CD often fails . . . . .	401
Partially filled CD shows “0 bytes free” . . . . .	401
Confirmation message “The file Thumbs.db has extra information attached . . . . .” . . . . .	402
Error message “Windows encountered a problem when trying to copy this file.” . . . . .	402
Message “Cannot complete the CD Writing Wizard” . . . . .	402
Icons remain in CD Writing Tasks folder after CD has been burned . . . . .	402
Can’t delete/rename files from CD-RW . . . . .	402
Cannot copy files to/from a DVD . . . . .	403
Microsoft Knowledge Base Articles . . . . .	403
Troubleshooting Searches . . . . .	403
Search Companion didn’t find my file . . . . .	403
Search Companion or Search Results pane opens unexpectedly . . . . .	404
No Search option on the Start menu . . . . .	404
Search Companion won’t open . . . . .	404

## Part IV: Printing and Faxing

**407**

### Chapter 20: Installing and Managing Printers . . . . . 409

Installing a New Printer . . . . .	409
Installing printers with parallel and serial port connections . . . . .	410
Installing printers with USB and infrared connections . . . . .	410
Installing a shared network printer on a home network . . . . .	410
Opening the Printers and Faxes Folder . . . . .	412
Setting the default printer . . . . .	412
Testing a printer . . . . .	413
Managing Print Drivers . . . . .	414
Setting Default Printer Properties . . . . .	414
Making pages print in the right order . . . . .	415
Normal versus sideways printing . . . . .	415
Saving time and money . . . . .	415
Wrap Up . . . . .	417

### Chapter 21: Printing Documents and Screenshots . . . . . 419

Printing a Document . . . . .	419
Common printing options . . . . .	420
Choosing a print quality and other options . . . . .	421
Printing the Screen . . . . .	423
Using Print Preview . . . . .	424
Wrap Up . . . . .	426

### Chapter 22: Managing Print Jobs . . . . . 427

How Printing Works . . . . .	427
Making a Printer Shortcut . . . . .	428

Managing Print Jobs . . . . .	429
Managing a single document . . . . .	429
Managing several documents . . . . .	429
Managing all documents . . . . .	430
Butting in line . . . . .	430
Solving Common Printer Problems . . . . .	431
Printing Offline . . . . .	431
Printing to a File . . . . .	432
Managing Fonts . . . . .	434
Font technologies and types . . . . .	435
Installing fonts . . . . .	436
Wrap Up . . . . .	437

## **Chapter 23: Sending and Receiving Faxes . . . . . 439**

Installing the Fax Service . . . . .	439
Configuring the Fax Service . . . . .	440
Using the Fax Console . . . . .	441
Receiving faxes . . . . .	443
Faxing without a Faxmodem . . . . .	444
More on Faxing . . . . .	444
Wrap Up . . . . .	445

## **Chapter 24: Troubleshooting Printing and Faxing . . . . . 447**

Troubleshooting Printing . . . . .	447
First aid for printing problems . . . . .	447
Viewing printer help . . . . .	447
Problems printing after installing Service Pack 2 . . . . .	448
Printer prints garbage . . . . .	448
Printing from Print Preview produces nothing . . . . .	449
Advanced printing features are disabled . . . . .	449
Printed colors don't match screen colors . . . . .	450
Error message "Problem communicating with printer" . . . . .	450
Troubleshooting Faxing . . . . .	450
First aid for faxing problems . . . . .	450
Using the Fax Services Troubleshooter . . . . .	451

## **Part V: Securing Your System**

453

### **Chapter 25: Getting Online . . . . . 455**

What Is the Internet? . . . . .	455
What is bandwidth? . . . . .	457
Upstream versus downstream bandwidth . . . . .	458
Clients and servers . . . . .	458
IP addresses and URLs . . . . .	458
Online, offline, local, and remote . . . . .	459
Downloading and uploading . . . . .	459
Getting an Internet Account . . . . .	460

Using the New Connection Wizard . . . . .	460
Making the connection . . . . .	462
Ending the connection . . . . .	464
Configuring an Internet Connection . . . . .	464
General Internet connection options . . . . .	465
Dial and Auto-Redial options . . . . .	468
Security options . . . . .	469
TCP/IP, DHCP, and DNS options . . . . .	469
Configuring Your PC to Connect Automatically . . . . .	471
Wrap Up . . . . .	472
<b>Chapter 26: Blocking Hackers with Windows Firewall . . . . .</b>	<b>475</b>
How Firewalls Work . . . . .	475
Hackers and hacking . . . . .	476
What a firewall doesn't protect against . . . . .	477
Well-known ports . . . . .	477
Introducing Windows Firewall . . . . .	478
Using Windows Firewall . . . . .	479
Responding to Firewall messages . . . . .	480
Configuring Windows Firewall . . . . .	480
Allowing programs to work through the firewall . . . . .	481
Adding a program exception . . . . .	482
Choosing a scope . . . . .	483
Adding a port . . . . .	485
Disabling, changing, and deleting exceptions . . . . .	485
Advanced firewall settings . . . . .	486
The Firewall and Network Connections . . . . .	490
Wrap Up . . . . .	492
<b>Chapter 27: Keeping Current with Security Patches . . . . .</b>	<b>493</b>
Understanding Automatic Updates . . . . .	493
Enabling Automatic Updates . . . . .	494
Using Express Install . . . . .	495
Using Custom Install . . . . .	496
More Windows Update Options . . . . .	499
First Aid for Windows Update Failures . . . . .	500
Microsoft Office Updates . . . . .	501
Wrap Up . . . . .	501
<b>Chapter 28: Blocking Viruses and Worms . . . . .</b>	<b>503</b>
Viruses, Worms, Trojans, and Such . . . . .	503
Using Data Execution Prevention (DEP) . . . . .	504
Virus-Infected E-Mail Attachments . . . . .	508
Minimizing virus threats with Outlook Express . . . . .	510
Scanning e-mail attachments and downloaded files . . . . .	511
About Third-Party Antivirus Software . . . . .	511
Using antivirus software . . . . .	513
Finding free virus removal tools . . . . .	513
Wrap Up . . . . .	514

<b>Chapter 29: Conquering Pop-Up Ads . . . . .</b>	<b>515</b>
Blocking Pop-Ups with Internet Explorer . . . . .	515
Letting good pop-ups through . . . . .	517
Streamlining the pop-up blocker . . . . .	519
Using other pop-up blockers . . . . .	519
Blocking Flash and Multimedia Ads . . . . .	519
Blocking Messenger Pop-Ups . . . . .	520
Blocking Other Pop-Ups . . . . .	522
Wrap Up . . . . .	522
<b>Chapter 30: Dealing with Adware and Spyware . . . . .</b>	<b>525</b>
Avoiding Adware and Spyware with Internet Explorer . . . . .	525
Adjusting your cookie settings . . . . .	525
Disable mysterious add-ons . . . . .	526
Delete undesired toolbars and the like . . . . .	527
Rerouting adware . . . . .	527
Using Third-Party Tools . . . . .	529
Lavasoft Ad-Aware . . . . .	529
Aluria Spyware Eliminator . . . . .	530
Hijack This . . . . .	530
Manually Removing Adware and Spyware . . . . .	531
Deleting from Safe mode . . . . .	531
Deleting from Recovery Console . . . . .	532
Wrap Up . . . . .	533
<b>Chapter 31: Troubleshooting Security . . . . .</b>	<b>535</b>
Troubleshooting Your Internet Connection . . . . .	535
First aid for Internet connection problems . . . . .	535
Can't connect with Internet Explorer . . . . .	535
Troubleshooting Firewall Problems . . . . .	536
Some Internet programs stop working after installing Service Pack 2 . . . . .	536
Error message "Windows Firewall has blocked this program from accepting connections" . . . . .	536
Can't adjust Windows Firewall for AOL dial-up connection . . . . .	537
Phone dialer stops working after installing SP2 . . . . .	537
Troubleshooting Automatic Updates . . . . .	537
Can't get to, or download from, Windows Update . . . . .	538
Clients in home network don't keep up with automatic updates . . . . .	538
You get an error message with an 0x80 . . . number . . . . .	538
Troubleshooting ActiveX Control Downloads . . . . .	538

## Part VI: Power Using the Internet

539

<b>Chapter 32: Browsing the Web with Internet Explorer . . . . .</b>	<b>541</b>
How the Web Works . . . . .	541
Using Microsoft Internet Explorer . . . . .	543
Getting to a Web Site . . . . .	544
Using AutoComplete . . . . .	544

Copy and paste a text URL . . . . .	545
Shortcuts to the Web . . . . .	545
Using Hyperlinks . . . . .	546
Opening a page in a new window . . . . .	547
Other hyperlink tricks . . . . .	548
Navigation tools . . . . .	548
Clever Bar Tricks . . . . .	549
Moving and sizing toolbars . . . . .	549
Using full-screen view . . . . .	550
Printing Web Pages . . . . .	551
Revisiting Previous Sites . . . . .	551
Using the History bar . . . . .	552
Closing the History bar . . . . .	552
Clearing and controlling history . . . . .	553
Changing Your Default Home Page . . . . .	553
Tracking Favorite Web Sites . . . . .	554
Revisiting favorite sites . . . . .	555
Organizing your favorites . . . . .	556
Closing up favorites . . . . .	557
General Browsing versus Secure Browsing . . . . .	557
Searching the Web . . . . .	559
Searching without the Search bar . . . . .	560
Saving Web Content . . . . .	562
Copying text from Web pages . . . . .	563
Downloading pictures and videos . . . . .	564
Playing Music and Video Online . . . . .	564
Adding Web Content to the Desktop . . . . .	566
Avoiding the Wait with Offline Browsing . . . . .	567
The Offline Favorite Wizard . . . . .	569
Allowing for the automatic download . . . . .	570
Browsing offline . . . . .	570
Updating pages manually . . . . .	571
Managing downloading schedules . . . . .	571
Removing offline favorites . . . . .	572
Dealing with Cookies and Temporary Files . . . . .	572
Managing temporary Internet files . . . . .	573
Managing cookies . . . . .	575
Wrap Up . . . . .	577

## **Chapter 33: Doing E-Mail with Outlook Express . . . . . 579**

How E-Mail Works . . . . .	579
Introducing Outlook Express . . . . .	581
Who needs Outlook Express? . . . . .	581
Who can use Outlook Express? . . . . .	581
What you need to know to get started . . . . .	581
Setting up your e-mail account . . . . .	582
Writing E-Mail with Outlook Express . . . . .	583
Composing fancier e-mail messages . . . . .	585
Attaching files to e-mail messages . . . . .	588
Sending the message . . . . .	589

Reading Your E-Mail with Outlook Express . . . . .	589
Opening attachments . . . . .	592
Saving attachments . . . . .	594
Managing E-Mail Messages . . . . .	595
Selecting messages . . . . .	595
Deleting messages . . . . .	596
Grouping messages into folders . . . . .	597
Using Windows Address Book . . . . .	599
Tracking names and addresses automatically . . . . .	600
Opening Windows Address Book . . . . .	601
Managing contacts . . . . .	602
Deleting contacts . . . . .	603
Printing contacts . . . . .	603
Creating groups and mailing lists . . . . .	603
Using the Address Book to send e-mail . . . . .	604
Customizing and Configuring Outlook Express . . . . .	605
General options . . . . .	606
Read options . . . . .	606
Receipt options . . . . .	606
Send options . . . . .	606
Compose options . . . . .	607
Automatic signature options . . . . .	607
E-mail spelling options . . . . .	609
E-mail security options . . . . .	609
Secure mail settings . . . . .	610
Connection options . . . . .	610
Maintenance options . . . . .	611
Quick Outlook Express Troubleshooting . . . . .	611
Wrap Up . . . . .	612

## **Chapter 34: Communicating Online with .NET Passport . . . . . 613**

What Is a .NET Passport? . . . . .	613
Creating a .NET Passport . . . . .	614
Opening Windows Messenger, Signing In . . . . .	615
E-mail address not verified . . . . .	616
A new version of Windows Messenger is available . . . . .	617
Instant Messaging with Windows Messenger . . . . .	617
Setting up your list of contacts . . . . .	617
Starting a conversation . . . . .	618
When someone contacts you . . . . .	623
Inviting others to join in . . . . .	623
Inviting others to get lost . . . . .	624
Ending a conversation . . . . .	624
Your <i>do not disturb</i> options . . . . .	624
Transferring Files and Photos . . . . .	625
Toll-Free Talking . . . . .	627
Twenty-First Century Toll-Free Videophone . . . . .	629
Using Remote Assistance . . . . .	630
Starting a Remote Assistance session . . . . .	631
Ending a Remote Assistance session . . . . .	632

Working in Teams . . . . .	632
Using the Whiteboard . . . . .	634
Pasting into the Whiteboard . . . . .	637
Erasing from the Whiteboard . . . . .	637
Saving a Whiteboard . . . . .	637
Closing a Whiteboard session . . . . .	637
Managing Your Contacts . . . . .	638
Grouping contacts . . . . .	638
Deleting a contact . . . . .	639
Configuring Windows Messenger . . . . .	639
Choosing your display name and font . . . . .	639
To autostart or not to autostart . . . . .	640
Maintaining your privacy . . . . .	642
Windows Messenger phone calls . . . . .	644
Using an Alternative to Sign-ins and .NET Alerts . . . . .	644
Signing Off, Closing, and Terminating . . . . .	646
Still More .NET Passport Stuff . . . . .	646
Wrap Up . . . . .	647
<b>Chapter 35: Using FTP and Newsgroups . . . . .</b>	<b>649</b>
About Newsgroups . . . . .	649
Doing Newsgroups with Internet Explorer . . . . .	651
Using Outlook Express as a Newsreader . . . . .	653
Subscribing to newsgroups . . . . .	655
Viewing newsgroup messages . . . . .	656
Posting a newsgroup message . . . . .	658
Replying to newsgroup messages . . . . .	659
Getting the latest messages . . . . .	659
Unsubscribing . . . . .	661
Using FTP . . . . .	661
Anonymous FTP versus FTP accounts . . . . .	661
Using Internet Explorer as an FTP client . . . . .	662
Transferring files with FTP and Internet Explorer . . . . .	662
Using an FTP client . . . . .	665
Wrap Up . . . . .	665
<b>Chapter 36: Troubleshooting Internet Problems . . . . .</b>	<b>667</b>
Troubleshooting Internet Explorer . . . . .	667
Clicking a hyperlink has no effect . . . . .	667
Can't download program or ActiveX Control . . . . .	667
Security warning about trusted sites . . . . .	668
Error message "This page cannot be displayed" . . . . .	669
Can't change the default home page . . . . .	669
Saved pictures stored as bitmaps (.bmp files) . . . . .	669
Content Advisor dialog box or message opens . . . . .	670
All other Internet Explorer problems/features . . . . .	670
Troubleshooting Outlook Express . . . . .	670
Error message "The host <i>name</i> could not be found . . ."	671
Pictures are missing from e-mail messages . . . . .	672
Can't open or save e-mail attachment . . . . .	672

Message “Your current security settings prohibit running ActiveX controls . . .” . . . . .	672
All other Outlook Express problems/features . . . . .	673
Troubleshooting Windows Messenger . . . . .	673
Can’t start Windows Messenger or Remote Assistance after installing Service Pack 2 . . . . .	673
Cannot establish a voice conversation . . . . .	674
Cannot transfer files . . . . .	674
Getting rid of Messenger Service pop-ups . . . . .	675
All other Messenger issues . . . . .	675

## Part VII: Using and Creating Digital Media

677

### Chapter 37: Playing with Pictures . . . . . 679

About Pictures . . . . .	679
Picture dimensions . . . . .	679
Picture file size . . . . .	681
Picture quality . . . . .	683
BMP, TIFF, JPEG, and GIF . . . . .	684
Clip art . . . . .	686
Where to Store Pictures . . . . .	687
Viewing pictures as a slide show . . . . .	689
Printing pictures . . . . .	690
Ordering prints online . . . . .	692
Using a picture as a desktop background . . . . .	692
Copying pictures from a CD . . . . .	692
Getting Pictures from a Digital Camera . . . . .	694
Scanning Pictures . . . . .	696
Installing Troublesome Cameras and Scanners . . . . .	698
Opening a Picture . . . . .	700
Using Windows Picture and Fax Viewer . . . . .	700
Recording Details about Your Photos . . . . .	702
Making a Working Copy of a Picture . . . . .	703
Rotating a picture . . . . .	703
Wrap Up . . . . .	704

### Chapter 38: Making Music with Windows Media Player 10 . . . . . 705

Before You Get Started . . . . .	705
Controlling sound volume . . . . .	705
Understanding protected content . . . . .	706
Getting Windows Media Player 10 . . . . .	707
Starting Windows Media Player . . . . .	708
Changing your view . . . . .	709
Media Player title bar and menu bar . . . . .	709
About the Features Taskbar . . . . .	709
Playback controls . . . . .	710
Closing/minimizing Windows Media Player . . . . .	711

Listening to a CD . . . . .	711
Using the Playlist pane . . . . .	712
Choosing visualization options . . . . .	713
Choosing enhancements . . . . .	713
Stopping a CD . . . . .	714
Ripping (Copying) Music CDs . . . . .	714
Options for ripping CDs . . . . .	714
Digital or analog? . . . . .	718
Choosing columns to display . . . . .	719
Ripping a music CD . . . . .	720
Buying Music Online . . . . .	722
Purchasing protected content . . . . .	722
Viewing license information . . . . .	724
Backing up and restoring licenses . . . . .	724
Music in Your Media Library . . . . .	725
Choosing columns for Media Library . . . . .	726
Controlling Media Library behavior and appearance . . . . .	727
Manually Editing Media Information . . . . .	728
Using the Advanced Tag Editor . . . . .	730
Finding media information online . . . . .	730
Adding lyrics . . . . .	731
Deleting songs . . . . .	732
Creating Custom Playlists . . . . .	733
Viewing and editing playlists . . . . .	736
Using and creating auto-playlists . . . . .	736
Burning Your Own CDs . . . . .	738
Choosing burn options . . . . .	739
Burning the disk . . . . .	740
Copying Music to Portable Music Players . . . . .	741
Connecting your player . . . . .	742
Autosync and manual sync . . . . .	743
Player properties and settings . . . . .	744
Creating playlists for portable players . . . . .	746
Deleting songs from the device . . . . .	746
Synching the songs . . . . .	747
Listening to the Radio . . . . .	748
Wrap Up . . . . .	748
<b>Chapter 39: Watching DVD, Video, and More . . . . .</b>	<b>751</b>
Watching DVDs . . . . .	751
Playing a DVD . . . . .	751
Getting a DVD decoder . . . . .	752
Controlling DVD play . . . . .	752
Using captions and subtitles . . . . .	754
Playing VCDs . . . . .	755
Creating VCDs . . . . .	756
Copying VCDs . . . . .	756
Playing HighMAT CDs . . . . .	757
Playing Media files . . . . .	757
Making Media Player the default for media files . . . . .	758
Bringing Media Library up to date . . . . .	760

Watching videos in your library . . . . .	761
Viewing recorded TV shows . . . . .	762
Viewing pictures in your library . . . . .	762
Searching your library . . . . .	764
Organizing Media Files . . . . .	764
Viewing and changing summary properties . . . . .	766
Changing summary properties across folders . . . . .	769
Finding missing album art . . . . .	770
Making MP3 and .wma CDs . . . . .	771
Fun with Skins . . . . .	773
Extending Media Player with Plug-ins . . . . .	774
About Microsoft Plus! Digital Media Edition . . . . .	774
Other plug-ins . . . . .	774
Managing plug-ins . . . . .	774
Wrap Up . . . . .	775

## **Chapter 40: Getting Started with Windows Movie Maker 2 . . . . . 777**

Introducing Windows Movie Maker 2.1 . . . . .	777
Upgrading to Movie Maker 2.1 . . . . .	778
Getting around in Movie Maker . . . . .	778
Windows Movie Maker panes . . . . .	779
Gearing Up for Movie Making . . . . .	783
Choosing Your Defaults . . . . .	783
Stage 1: Getting the Raw Footage . . . . .	786
Capturing content from a digital video camera . . . . .	786
Importing video from files . . . . .	790
Stage 2: Creating and Organizing Scenes . . . . .	792
Getting Organized . . . . .	792
Watching a clip . . . . .	794
Renaming and deleting clips and collections . . . . .	796
Moving and copy clips . . . . .	796
Convert a video frame to a photo . . . . .	797
Stage 3: Producing Your Movie . . . . .	798
Arranging your scenes . . . . .	799
Previewing your movie . . . . .	800
Saving your project . . . . .	800
Stage 4: Creating the Final Product . . . . .	801
Closing Windows Movie Maker . . . . .	803
Wrap Up . . . . .	804

## **Chapter 41: Power Users Guide to Movie Maker 2 . . . . . 805**

Using Pictures and Photos in Movies . . . . .	805
Adding Titles and Credits . . . . .	806
Adding credits . . . . .	808
Edit or delete a title or credits . . . . .	808
Changing Scene Durations . . . . .	809
Overlapping Scenes . . . . .	810
Adding Video Transitions . . . . .	811
Adding Video Effects . . . . .	813
Setting Trim Points . . . . .	814

Adding Audio to Movies . . . . .	815
Adding music to a movie . . . . .	816
Importing music . . . . .	816
Editing music . . . . .	817
Placing your custom music track . . . . .	817
Adding narration to a movie . . . . .	818
Adding multiple sound tracks . . . . .	819
Saving Multiple Copies of Movies . . . . .	821
Viewing icons for movies . . . . .	822
Other destinations for movies . . . . .	822
Wrap Up . . . . .	823

## **Chapter 42: Using VHS, LPs, DVD, and More . . . . . 825**

Capturing Analog Video . . . . .	825
Using the Video Capture Wizard . . . . .	827
The Capture Video page . . . . .	829
Capturing Analog Audio . . . . .	830
Copying Windows Movie Maker Movies to DVD . . . . .	831
Copying Movie Maker Movies to Tape . . . . .	832
Converting Video Formats . . . . .	833
Converting Audio and Music Files . . . . .	833
Wrap Up . . . . .	834

## **Chapter 43: Troubleshooting Multimedia . . . . . 835**

Troubleshooting Pictures and Photos . . . . .	835
No Copy option when right-clicking a picture in a Web page . . . . .	835
Cannot copy thumbnail from My Pictures to open document . . . . .	835
Get Pictures from Scanner or Camera option not available under Picture Tasks . . . . .	835
Troubleshooting Windows Media Player . . . . .	836
Message “Invalid Function” when trying to burn a CD . . . . .	836
Some other program opens when you open an icon or insert a CD . . . . .	836
Video plays but no audio . . . . .	836
Cannot see captions when playing a CD or DVD . . . . .	837
Media Player can’t find my MP3 player . . . . .	837
Song titles don’t appear after inserting a CD . . . . .	837
Song won’t play and ! appears in front of song title . . . . .	837
Error message appears with 0xC00 or other number . . . . .	838
All other Windows Media Player issues . . . . .	838
Troubleshooting Windows Movie Maker . . . . .	839
Message “Your system is currently set to 800x600 . . .” . . . . .	839
Message “A video capture device was not detected . . .” . . . . .	839
Cannot capture content using S-Video cable . . . . .	839
Cannot capture content from USB bridge . . . . .	839
No audio when capturing content . . . . .	840
Movie Maker closes when you drag a clip . . . . .	840
All other Movie Maker 2.1 issues . . . . .	840

**Part VIII: Installing and Removing Programs 841**

**Chapter 44: Downloading Programs . . . . . 843**

- Playing It Safe with Installations . . . . . 843
- To Run or to Save? . . . . . 845
- Downloading and Installing Programs . . . . . 846
  - Download and install . . . . . 847
  - Save now, install later . . . . . 847
- Wrap Up . . . . . 848

**Chapter 45: Installing and Upgrading Programs . . . . . 849**

- Playing It Safe with Program Installations . . . . . 849
- Upgrading Programs . . . . . 850
- Installing from a CD or Floppy Disk . . . . . 850
- Common Installation Prompts . . . . . 851
  - The product key or serial number . . . . . 851
  - Upgrade compliance . . . . . 852
  - The End User License Agreement (EULA) . . . . . 853
  - Choosing a folder for the installed program . . . . . 854
  - User accounts and programs . . . . . 855
- Installing and Removing Windows Components . . . . . 855
- Wrap Up . . . . . 858

**Chapter 46: Getting Older Programs to Run . . . . . 859**

- What Makes a Program “Old” . . . . . 859
  - Ancient history, today, and the future . . . . . 860
  - Programs to avoid altogether . . . . . 861
    - About compatibility mode . . . . . 861
- Installing a Program That Won’t Install . . . . . 862
- Using the Program Compatibility Wizard . . . . . 863
- Quick-and-Dirty Program Compatibility . . . . . 865
- Wrap Up . . . . . 866

**Chapter 47: Setting Program Access and Defaults . . . . . 867**

- Setting Default Internet Programs . . . . . 867
- Using the Microsoft Windows Configuration . . . . . 868
- Using the Non-Microsoft Configuration . . . . . 869
- Enabling/Disabling Microsoft Program Access . . . . . 870
- Wrap Up . . . . . 871

**Chapter 48: Getting Rid of Programs . . . . . 873**

- Using the All Programs Menu to Uninstall . . . . . 873
- Using Add or Remove Programs . . . . . 874
- Getting Rid of Notification Area Icons . . . . . 877
- Wrap Up . . . . . 879

**Chapter 49: Managing Application Programs and Processes . . . . . 881**

Getting to Know Task Manager . . . . .	881
Choosing Task Manager Views . . . . .	882
Not Responding? Task Manager to the Rescue . . . . .	883
Closing frozen programs . . . . .	883
Switching and starting tasks . . . . .	883
Restarting a hung computer . . . . .	884
Monitoring Performance with Task Manager . . . . .	885
Managing Processes with Task Manager . . . . .	887
Hidden processes . . . . .	888
Common processes . . . . .	888
Where processes get their start . . . . .	889
Choosing columns in processes . . . . .	890
Monitoring Performance with Task Manager . . . . .	891
Networking and Users Tabs . . . . .	893
Wrap Up . . . . .	894

**Chapter 50: Troubleshooting Software Problems . . . . . 895**

Troubleshooting Installation and Removal . . . . .	895
Program will not install . . . . .	895
Nonexistent program stuck in Add or Remove Programs . . . . .	896
Troubleshooting Programs . . . . .	897
Researching Application Errors . . . . .	898

**Part IX: Installing, Using, and Troubleshooting Hardware 899****Chapter 51: Installing Hot-Pluggable Devices . . . . . 901**

Using USB Devices . . . . .	901
Installing a USB device . . . . .	903
Removing a USB Device . . . . .	903
Installing IEEE 1394 Devices . . . . .	904
PC Cards and Cardbus . . . . .	905
The World of Bluetooth . . . . .	906
Joining a Bluetooth Personal Area Network . . . . .	912
Wrap Up . . . . .	916

**Chapter 52: Installing Other Hardware . . . . . 917**

Internet and External Hardware Devices . . . . .	917
External ports . . . . .	917
Internal ports . . . . .	918
Before You Install Anything . . . . .	920
Installing More Memory (RAM) . . . . .	921
Installing a Second Hard Drive . . . . .	922
Checking the new drive . . . . .	923
Basic and dynamic disks . . . . .	924
Primary and extended partitions . . . . .	924
Partitioning and formatting the disk . . . . .	925
Viewing the new drive's icon . . . . .	928
Other hard drive operations . . . . .	929
Wrap Up . . . . .	934

**Chapter 53: Managing Drivers and Devices . . . . . 935**

Choosing Device Driver Options . . . . .	935
Driver signing options . . . . .	936
Windows update options . . . . .	937
Discovering Your Hardware and Drivers . . . . .	937
Device Manager icons . . . . .	938
Quick-and-Easy Driver Updates . . . . .	938
Getting Information about a Device . . . . .	939
Getting the full scoop on a device driver . . . . .	941
A second approach to getting signed drivers . . . . .	943
Hunting for device drivers . . . . .	944
Updating device drivers from files . . . . .	944
Rolling back to previous drivers . . . . .	946
Uninstalling drivers . . . . .	946
Enabling and Disabling Devices . . . . .	947
Permanently Removing Hardware Devices . . . . .	949
Reinstalling Plug-and-Play Devices . . . . .	949
Another Way to Get Hardware Information . . . . .	950
Wrap Up . . . . .	951

**Chapter 54: Troubleshooting Hardware Errors . . . . . 953**

First Aid for Troubleshooting Hardware . . . . .	953
Dealing with Error Messages . . . . .	955
Performing a Clean Boot . . . . .	956
Using the Recovery Console . . . . .	956

**Part X: Performance and Maintenance Issues 959****Chapter 55: Using System Restore the Right Way . . . . . 961**

How System Restore Works . . . . .	961
Configuring System Restore . . . . .	962
Creating a Restore Point . . . . .	963
Restoring to an Earlier Time . . . . .	964
Wrap Up . . . . .	966

**Chapter 56: Performance-Tuning Your System . . . . . 967**

Getting to Know Your System . . . . .	967
Knowing your CPU and RAM . . . . .	968
Getting more detailed information about your PC . . . . .	968
Maximizing CPU and Memory Resources . . . . .	969
Priorities, foreground, and background . . . . .	970
Controlling CPU priorities . . . . .	970
Controlling memory priorities . . . . .	971
Managing virtual memory . . . . .	972
Trading pretty for performance . . . . .	974
Maintaining Your Hard Disk . . . . .	975
Determining disk capacity and free space . . . . .	976
Recovering wasted hard disk space . . . . .	977
Scanning the disk for errors . . . . .	980
Defragmenting your hard drive . . . . .	981
Wrap Up . . . . .	983

<b>Chapter 57: Managing Your Power Options</b> . . . . .	<b>985</b>
Shutting Down Your Computer . . . . .	985
Stand by versus hibernate . . . . .	986
If hibernate is never an option . . . . .	986
Conserving Power . . . . .	987
Choosing a power scheme . . . . .	988
More power options . . . . .	988
Using an Uninterruptible Power Supply . . . . .	989
Wrap Up . . . . .	990
<b>Chapter 58: Editing the Windows Registry</b> . . . . .	<b>991</b>
What Is the Registry? . . . . .	991
A working example . . . . .	992
How registry data is organized . . . . .	993
Numbering Systems . . . . .	997
Backing Up the Registry . . . . .	1000
Using the Registry Editor . . . . .	1001
Creating and renaming keys . . . . .	1001
Deleting a key . . . . .	1001
Viewing key values . . . . .	1001
Cleaning Up Add or Remove Programs . . . . .	1004
Wrap Up . . . . .	1005
<b>Chapter 59: Troubleshooting Performance Problems</b> . . . . .	<b>1007</b>
Troubleshooting System Restore Problems . . . . .	1007
Missing earlier restore points . . . . .	1007
Restoring from a command prompt . . . . .	1007
Viruses and System Restore . . . . .	1008
Troubleshooting Performance Problems . . . . .	1008
Can't open Task Manager . . . . .	1008
Processor appears twice in System Information and Performance tab . . . . .	1009
CPU usage chart consistently runs high . . . . .	1009
Troubleshooting Shutdown Errors . . . . .	1009

## **Part XI: Home and Small-Business Networking** **1011**

<b>Chapter 60: Creating Your Own Network</b> . . . . .	<b>1013</b>
What Is a LAN? . . . . .	1013
Planning a LAN . . . . .	1014
Connecting Two Computers in a Traditional LAN . . . . .	1014
Ethernet with Three or More Computers . . . . .	1015
Traditional Ethernet speeds . . . . .	1016
The slowest component rules . . . . .	1016
Connect with Wiring You Already Have . . . . .	1017
Creating a Wireless LAN . . . . .	1018
Networking with a Router . . . . .	1020
Mixed-Mode Networking . . . . .	1022
Acquiring and Installing Network Hardware . . . . .	1023
Wrap Up . . . . .	1024

<b>Chapter 61: Setting Up Your Network</b> . . . . .	<b>1025</b>
Before You Begin . . . . .	1025
Setting Up a Wired Network with an ICS Host . . . . .	1026
Setting up the ICS host . . . . .	1026
Setting up other computers . . . . .	1030
Setting Up a Wired Network with a Router . . . . .	1031
Setting Up a Wireless Network . . . . .	1034
The 802.11 standard . . . . .	1034
Access Point, SSID, WEP, and WPA . . . . .	1034
Installing the wireless networking hardware . . . . .	1036
Finding available networks . . . . .	1036
Connecting to a Wireless LAN . . . . .	1037
Fixing limited connectivity . . . . .	1039
Adding Non-Windows XP Computers to Your Wired Network . . . . .	1041
Adding a non-XP computer with a floppy drive . . . . .	1041
Adding a non-XP computer without a floppy drive . . . . .	1041
Wrap Up . . . . .	1042
<b>Chapter 62: Sharing Resources on a LAN</b> . . . . .	<b>1043</b>
Some Networking Buzzwords . . . . .	1043
Using a Shared Printer . . . . .	1045
Sharing a printer . . . . .	1045
Adding a shared printer to your computer . . . . .	1046
Using Shared Documents and Folders . . . . .	1047
Using My Network Places . . . . .	1048
Opening shared documents and folders . . . . .	1049
Sharing folders . . . . .	1051
Helping shared resources appear automatically . . . . .	1052
Adding a shared folder to your My Network Places folder . . . . .	1052
Sharing a Disk Drive . . . . .	1053
Wrap Up . . . . .	1055
<b>Chapter 63: Using Shared Network Resources</b> . . . . .	<b>1057</b>
Opening Remote Documents . . . . .	1057
Opening a read-only copy . . . . .	1058
Using merge features of Office programs . . . . .	1059
Creating My Network Shortcuts to Internet Sites . . . . .	1060
Saving to a Remote Computer . . . . .	1063
Downloading Programs to a Network . . . . .	1063
Transferring Files between Computers . . . . .	1065
Mapping Drive Letters to Shared Folders . . . . .	1067
About network drives . . . . .	1068
Disconnecting from a network drive . . . . .	1068
Installing copied fonts . . . . .	1068
Accessing UPnP Devices . . . . .	1069
Wrap Up . . . . .	1071
<b>Chapter 64: Troubleshooting Network Problems</b> . . . . .	<b>1073</b>
Troubleshooting a Wired Network . . . . .	1073
Troubleshooting a Wireless Network . . . . .	1073
Troubleshooting a Bluetooth network . . . . .	1074

<b>Appendix A: Upgrading to Windows XP</b> . . . . .	<b>1075</b>
<b>Appendix B: Installing XP on a New System</b> . . . . .	<b>1081</b>
<b>Appendix C: Professional Edition Features</b> . . . . .	<b>1085</b>
<b>Appendix D: Universal Shortcut Keys</b> . . . . .	<b>1089</b>
Index . . . . .	1097
