## Next Steps

### Part Two. The Process Areas

#### Causal Analysis and Resolution: A Support Process Area at Maturity Level 5

Purpose  
Introductory Notes  
Related Process Areas  
Specific Practices by Goal  
Generic Practices by Goal  
Commitment to Perform  
Ability to Perform  
Directing Implementation  
Verifying Implementation  
Ability to Perform  
Directing Implementation

#### Configuration Management: A Support Process Area at Maturity Level 2

Purpose  
Introductory Notes  
Related Process Areas  
Specific Practices by Goal  
Generic Practices by Goal  
Commitment to Perform  
Ability to Perform  
Directing Implementation  
Verifying Implementation  
Ability to Perform  
Directing Implementation

#### Decision Analysis and Resolution: A Support Process Area at Maturity Level 3

Purpose  
Introductory Notes  
Related Process Areas  
Specific Practices by Goal  
Generic Practices by Goal  
Commitment to Perform  
Ability to Perform  
Directing Implementation  
Verifying Implementation  
Ability to Perform  
Directing Implementation

#### Integrated Project Management: A Project Management Process Area at Maturity Level 3

Purpose  
Introductory Notes

[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Integrated Supplier Management: A Project Management Process Area at Maturity Level 3](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Integrated Teaming: A Project Management Process Area at Maturity Level 3](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Measurement and Analysis: A Support Process Area at Maturity Level 2](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)

[Ability to Perform](#)  
[Directing Implementation](#)

[Organizational Environment for Integration: A Support Process Area at Maturity Level 3](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Organizational Innovation and Deployment: A Process Management Process Area at Maturity Level 5](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Organizational Process Definition: A Process Management Process Area at Maturity Level 3](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Organizational Process Focus: A Process Management Process Area at Maturity Level 3](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)

[Organizational Process Performance: A Process Management Process Area at Maturity Level 4](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Organizational Training: A Process Management Process Area at Maturity Level 3](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Product Integration: An Engineering Process Area at Maturity Level 3](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Project Monitoring and Control: A Project Management Process Area at Maturity Level 2](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Project Planning: A Project Management Process Area at Maturity Level 2](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Process and Product Quality Assurance: A Support Process Area at Maturity Level 2](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)  
[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Quantitative Project Management: A Project Management Process Area at Maturity Level 4](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)  
[Ability to Perform](#)

[Directing Implementation](#)  
[Verifying Implementation](#)  
[Ability to Perform](#)  
[Directing Implementation](#)

[Requirements Development: An Engineering Process Area at Maturity Level 3](#)

[Purpose](#)  
[Introductory Notes](#)  
[Related Process Areas](#)  
[Specific Practices by Goal](#)  
[Generic Practices by Goal](#)  
[Commitment to Perform](#)
