About The Author

Charles Petzold

Charles Petzold (www.charlespetzold.com) is a full-time freelance writer who has been programming for Microsoft Windows since 1985 and writing about Windows programming for nearly as long. He wrote the very first magazine article about Windows programming for the December 1986 issue of *Microsoft Systems Journal*. His book [Programming Windows](#) (first published by Microsoft Press in 1988 and currently in its fifth edition) taught a generation of programmers how to write applications
