<b>Part I Installing Windows 2000</b>	<b>1</b>
<b>CHAPTER 1 Preinstallation</b>	<b>3</b>
Introduction	4
Before You Begin	4
Upgrading versus New Installation	6
Hardware Requirements	7
Hardware and Software Compatibility	8
Hard Disk Partitioning	10
Choosing a File System	10
Licensing	11
Per Seat Licensing	11
Per Server Licensing	11
Determining Advanced Setup Needs	12
Domain or Workgroup?	12
Choosing Components	12
Networking	13
Final Preparations	16
Summary	16
<b>CHAPTER 2 Windows 2000 Setup Wizard</b>	<b>19</b>
Introduction	20
Before You Begin	20
The Purpose of this Wizard	20
Information Needed to Work with this Wizard	20
The Initial Installation Process	21
Windows 2000 Server Setup Wizard	23
Summary	26
<b>PART 2 Configuring Windows 2000</b>	<b>27</b>
<b>CHAPTER 3 Windows 2000 Configure Your Server Wizard</b>	<b>29</b>
Introduction	30
Before You Begin	30
The Purpose of this Wizard	30
Information Needed to Work with this Wizard	31
Windows 2000 Configure Your Server Wizard	31
Configure Your Server Program Overview	37
Summary	38

<b>CHAPTER 4 Active Directory Installation Wizard</b>	<b>41</b>
Introduction	42
Before You Begin	42
The Purpose of this Wizard	42
Information Needed to Work with this Wizard	43
The Active Directory Installation Wizard	43
Uninstalling Active Directory	54
Summary	58
<b>CHAPTER 5 Network Connection Wizard</b>	<b>61</b>
Introduction	62
Before You Begin	62
The Purpose of this Wizard	62
Information Needed to Work with this Wizard	62
The Network Connection Wizard	63
Launching the Network Connection Wizard	63
Dial-Up to a Private Network	64
Dial-Up to the Internet	68
Connect to a Private Network through the Internet	79
Accept Incoming Connections	81
Connect Directly to Another Computer	88
Summary	90
<b>CHAPTER 6 Managing DHCP Servers</b>	<b>93</b>
Introduction	94
Before You Begin	94
The Purpose of this Wizard	94
Information Needed to Work with this Wizard	94
Add DHCP Server	95
The Create Scope Wizard	95
The Create Superscope Wizard	105
The Create Multicast Scope Wizard	108
Summary	112
<b>CHAPTER 7 Create A New Zone Wizard (DNS)</b>	<b>113</b>
Introduction	114
Before You Begin	114
The Purpose of this Wizard	114
Information Needed to Work with this Wizard	115
The Create A New Zone Wizard	115
Summary	124

<b>CHAPTER 8 Routing and Remote Access Configuration Wizard</b>	<b>127</b>
Introduction	128
Before You Begin	128
The Purpose of this Wizard	129
Information Needed to Work with this Wizard	129
The Routing and Remote Access Configuration Wizard	129
Configuring Routing and Remote Access	136
Summary	143
<b>CHAPTER 9 Create Shared Folder Wizard</b>	<b>145</b>
Introduction	146
Before You Begin	146
The Purpose of this Wizard	146
Information Needed to Work with this Wizard	146
The Create Shared Folder Wizard	147
Summary	153
<b>CHAPTER 10 Add Printer Wizard</b>	<b>155</b>
Introduction	156
Before You Begin	156
The Purpose of this Wizard	156
Information Needed to Work with this Wizard	156
The Add Printer Wizard	157
Local Printer	157
Network Printer	162
Summary	167
<b>CHAPTER 11 Internet Information Services (IIS) Wizards</b>	<b>169</b>
Introduction	170
Before You Begin	170
The Purpose of this Wizard	170
Information Needed to Work with this Wizard	170
The FTP Site Creation Wizard	171
The Web Site Creation Wizard	176
The New SMTP Virtual Server Wizard	182
The Virtual Directory Creation Wizard (Web and FTP)	184
The New Domain Wizard(SMTP Virtual Server)	188
Summary	191

<b>CHAPTER 12 Windows Component Wizard</b>	<b>193</b>
Introduction	194
Before You Begin	194
The Purpose of this Wizard	195
Information Needed to Work with this Wizard	196
The Windows Component Wizard	196
Adding a Component	196
Removing a Component	201
Summary	204
<b>CHAPTER 13 Windows 2000 Resource Kit Setup Wizard</b>	<b>207</b>
Introduction	208
Before You Begin	208
The Purpose of this Wizard	208
Information Needed to Work with this Wizard	208
The Windows 2000 Resource Kit Setup Wizard	209
Adding Resource Kit Support Tools	209
Removing, Adding, or Reinstalling Resource Kit Support Tools	214
Summary	219
<b>CHAPTER 14 Add/Remove Hardware Wizard</b>	<b>221</b>
Introduction	222
Before You Begin	222
The Purpose of this Wizard	222
Information Needed to Work with this Wizard	222
Add/Remove Hardware Wizard	222
Adding a Plug and Play Device	223
Adding a Non-Plug and Play Device	228
Removing Hardware	239
Summary	244
<b>CHAPTER 15 Internet Connection Wizard</b>	<b>245</b>
Introduction	246
Before You Begin	246
The Purpose of this Wizard	246
Information Needed to Work with this Wizard	246
The Internet Connection Wizard	247
Optional Advanced Parameters	250
Summary	260
<b>CHAPTER 16 Connection Manager</b>	
<b>Administration Kit Wizard</b>	<b>263</b>
Introduction	264
Before You Begin	264
The Purpose of this Wizard	264

Information Needed to Work with this Wizard	264
The Connection Manager Administration Kit Wizard	265
Summary	289
<b>CHAPTER 17 Create New Dfs Root Wizard</b>	<b>291</b>
Introduction	292
Before You Begin	292
The Purpose of this Wizard	292
Information Needed to Work with this Wizard	293
Create New Dfs Root Wizard	293
Summary	298
<b>CHAPTER 18 Delegation of Control Wizard</b>	<b>299</b>
Introduction	300
Before You Begin	300
The Purpose of this Wizard	300
Information Needed to Work with this Wizard	300
The Delegation of Control Wizard	300
Summary	308
<b>CHAPTER 19 Create Partition Wizard</b>	<b>311</b>
Introduction	312
Before You Begin	312
The Purpose of this Wizard	312
Information Needed to Work with this Wizard	312
The Create Partition Wizard	312
Summary	320
<b>CHAPTER 20 System Maintenance Wizards</b>	<b>321</b>
Introduction	322
Before You Begin	322
The Purposes of these Wizards	322
Information Needed to Work with these Wizards	323
The Scheduled Task Wizard	323
The Disk Cleanup Wizard	333
The Scheduled Synchronization Wizard	335
Summary	340
<b>CHAPTER 21 Environment Configuration Wizards</b>	<b>343</b>
Introduction	344
Before You Begin	344
The Purposes of these Wizards	344

Information Needed to Work with these Wizards	344
The Create Shortcut Wizard	345
The Customize This Folders Wizard	348
New Taskpad View Wizard	355
Summary	360
<b>CHAPTER 22 Accessibility Wizard</b>	<b>361</b>
Introduction	362
Before You Begin	362
The Purpose of this Wizard	362
Information Needed to Work with this Wizard	362
The Accessibility Wizard	362
Summary	383
<b>CHAPTER 23 Send Fax Wizard</b>	<b>385</b>
Introduction	386
Before You Begin	386
The Purpose of this Wizard	386
Information Needed to Work with this Wizard	386
The Send Fax Wizard	386
Summary	394
<b>CHAPTER 24 Backup and Recovery Wizards</b>	<b>395</b>
Introduction	396
Before You Begin	396
The Purposes of these Wizards	396
Information Needed to Work with these Wizards	396
Backup Wizard	396
Restore Wizard	409
Emergency Repair Disk Wizard	416
Summary	417
<b>CHAPTER 25 Microsoft Windows 2000</b>	
<b>Registration Wizard</b>	<b>419</b>
Introduction	420
Before You Begin	420
The Purpose of this Wizard	420
Information Needed to Work with this Wizard	420
The Microsoft Windows 2000 Registration Wizard	421
Summary	427
<b>INDEX</b>	<b>429</b>
