
Table of Contents

I. Purpose and Use of the Media Selection Guide.....	5
II. An Introduction to Distance Learning.....	7
Figure 1: The Historical Timeline of Distance Learning	10
Figure 2: The Family Tree of Distance Learning	11
III. Instructional Media for Distance Learning	12
Synchronous versus Asynchronous Learning Environments	12
Enabling Technologies Supporting Synchronous & Asynchronous Learning Environments.....	13
Symmetrical versus Asymmetrical Learning Environments.....	13
Taxonomy of Distance Learning Media.....	13
Table 1: Taxonomy of Distance Learning Instructional Media	14
Figure 3: Symmetry of Interactivity & Instructional Media	15
IV. Instructional Media Delivery for Distance Learning	15
Table 2: Instructional Media Delivery Options for Distance Learning.....	16
Strengths and Weaknesses of Instructional Delivery Media.....	20
Asynchronous Web-Based Instruction (WBI)	20
Audio Conferencing	21
Audiographics (Electronic White Boards).....	22
Computer-Based Instruction (CBI)	22
Correspondence (print).....	23
Instructional Television (ITV)	24
Recorded Audio (tape, CD ROM, or podcast).....	25
Recorded Video (tape, DVD, Vodcasting).....	25
Satellite e-Learning.....	26
Synchronous Web-Based Instruction (WBI).....	27
Video Teleconferencing (VTC).....	27
V. Instructional Strategies Supporting Distance Learning.....	29
Table 3: Instructional Strategies for Distance Learning	30
VI. Integrating Distance Learning Media: A Blended Learning Approach.....	32
Figure 4: Blended Learning--An Integration of Media	33
Figure 5: The Elasticity of Blended Learning.....	34
Figure 6: Symmetry of Interactivity & Instructional Strategies.....	34
VII. Distance Learning Instructional Media Selection.....	35
Conclusion.....	35
Distance Learning Instructional Media Selection Matrix	37
About the Authors.....	38
