

TABLE OF CONTENTS

FOREWORD	3	2.1 INSTITUTIONAL FRAMEWORK FOR BIODIVERSITY PROTECTION	36
LIST OF TABLES AND FIGURES	10	2.1.1 Government Institutions	36
ACRONYMS AND ABBREVIATIONS	11	2.1.2 Research and educational institutions	38
INTRODUCTION	14	2.1.3 Non-governmental organizations	40
PRINCIPLES OF BIODIVERSITY CONSERVATION	16	2.2 LEGAL FRAMEWORK FOR BIODIVERSITY PROTECTION	41
1. BIOLOGICAL DIVERSITY OF THE REPUBLIC OF SERBIA	18	2.2.1 Laws and Strategies	41
1.1 INTRODUCTION	18	2.2.2 International treaties, conventions and agreements	46
1.2 SPECIES DIVERSITY	19	2.3 FINANCIAL FRAMEWORK FOR BIODIVERSITY PROTECTION	48
1.2.1 Endangered species	19	3. THREATS TO BIODIVERSITY IN THE REPUBLIC OF SERBIA AND UNDERLYING CAUSES	52
1.3 ECOSYSTEM DIVERSITY	21	3.1 INTRODUCTION: BUILDING A CONCEPTUAL MODEL OF STRESSES, THREATS AND CAUSES	52
1.3.1 Habitat Types	23	3.2 STRESSES AND DIRECT THREATS TO BIODIVERSITY	54
1.4 GENETIC DIVERSITY	23	3.2.1 Stress - Habitat Loss, Fragmentation and Degradation	54
1.4.1 Genetic Resources	23	3.2.1.1 Direct threat - Conversion of Native Habitats for Agricultural, Forestry, Residential and Commercial Uses	54
1.5 PROTECTION OF BIOLOGICAL DIVERSITY	29	3.2.1.2 Direct Threat - Alteration of Flow Regimes of Natural Waterways	55
1.5.1 Protected area system	29	3.2.1.3 Direct Threat - Construction, Use and Maintenance of Transportation Infrastructure	56
1.5.2 Ecological networks	29	3.2.1.4 Direct Threat - Logging	56
1.5.3 Protected species	31	3.2.1.5 Direct Threat - Livestock Grazing and	
1.5.4 Other protected natural goods	34		
2. INSTITUTIONAL, LEGAL AND FINANCIAL FRAMEWORKS FOR BIOLOGICAL DIVERSITY PROTECTION IN THE REPUBLIC OF SERBIA	36		

Absence of Grazing	57	3.3.8 Impacts of Climate Change.....	65
3.2.1.6 Direct Threat - Mining	57	3.4 INDIRECT THREATS TO BIODIVERSITY IN THE REPUBLIC OF SERBIA	65
3.2.1.7 Direct Threat - Tourism and Outdoor Recreation	57	3.4.1 Ineffective and inadequate Protected Areas system.....	66
3.2.2 Stress - Population Declines in Wild Species	58	3.4.2 Failure to understand and demonstrate the economic value of biodiversity.....	66
3.2.2.1 Direct threat - Overexploitation and Illegal Harvesting of Plant and Wildlife Species	58	3.4.3 Inadequate legal mechanisms and financing for biodiversity conservation; Weak enforcement and implementation of existing mechanisms.....	67
3.2.2.1.1 Hunting & Fishing	59	3.4.4 Lack of integration of biodiversity issues into sectoral laws and policies	67
3.2.2.1.2 Gathering	59	3.4.5 Lack of information, capacities and coordination related to biodiversity conservation and management.....	67
3.2.3 Stress - Pollution/Contamination	59	3.4.6 Low level of public awareness of the importance of biodiversity	68
3.2.4 Stress - Invasive, Non-native Species and Genetically Modified Organisms (GMOs).....	59	4. STRATEGIC AREAS, OBJECTIVES AND ACTIVITIES FOR BIODIVERSITY CONSERVATION IN THE REPUBLIC OF SERBIA	70
3.2.5 Stress - Climate Change	60	4.1 BIODIVERSITY CONSERVATION	70
3.3 SUMMARY OF KNOWN SECTORAL IMPACTS	61	4.1.1 Threatened Biological Diversity.....	70
3.3.1 Impacts of the Agricultural Sector.....	61	4.1.1.1 Threatened Species.....	70
3.3.2 Impacts of the Forestry Sector.....	62	4.1.1.2 Threatened Ecological Communities and Habitats	71
3.3.3 Impacts of the Water Resources Management Sector.....	62	4.1.1.3 Ecological Restoration.....	71
3.3.4 Impacts of the Transportation Sector	62	4.1.1.4 <i>Ex-situ</i> Conservation	71
3.3.5 Impacts of the Mining Sector	63	4.1.2 Managing Threatening Processes.....	71
3.3.6 Impacts of the Natural Resources Management Sector.....	63	4.1.2.1 Non-native species and genetically modified	
3.3.6.1 Hunting	63		
3.3.6.2 Fishing	63		
3.3.6.3 Gathering of wild flora and fauna.....	64		
3.3.7 Impacts of Invasive Species.....	65		

organisms (GMOs).....	71	4.5.2.4 Mining.....	78
4.1.2.2 Pollution/Contamination.....	72	4.5.2.5 Water resources.....	78
4.1.2.3 Fire.....	72	4.5.2.6 Tourism and outdoor recreation.....	78
4.2 PROTECTED AREA SYSTEM.....	72	4.6 KNOWLEDGE BASE.....	78
4.2.1 Protected Area System Effectiveness.....	72	4.6.1 National Biodiversity Information System.....	79
4.2.2 Protected Area System Financing.....	73	4.6.2 Biodiversity Monitoring.....	80
4.3 SUSTAINABLE USE OF BIODIVERSITY, ACCESS AND BENEFIT SHARING AND ECONOMIC VALUATION.....	74	4.6.3 Biodiversity Research.....	80
4.3.1 Sustainable use of biodiversity.....	74	4.7 CAPACITY BUILDING.....	80
4.3.2 Access and benefit sharing.....	75	4.7.1 Technical Capacity building.....	80
4.3.3 Economic valuation of biodiversity.....	75	4.7.2 Infrastructure and Equipment.....	80
4.4 POLICY, LEGAL, INSTITUTIONAL AND FINANCIAL FRAMEWORKS FOR BIODIVERSITY CONSERVATION.....	76	4.8 EDUCATION, PUBLIC AWARENESS AND PARTICIPATION.....	81
4.4.1 Policy framework.....	76	4.8.1 Formal education.....	81
4.4.2 Legal framework.....	76	4.8.2 Public awareness.....	82
4.4.3 Institutional framework.....	76	4.8.3 Participation.....	83
4.4.4 Financial framework.....	77	4.9 INTERNATIONAL COOPERATION.....	83
4.5 INTEGRATION OF BIOLOGICAL DIVERSITY CONSERVATION INTO OTHER SECTORS.....	77	4.9.1 Coordination with other international instruments for biodiversity conservation.....	83
4.5.1 Integrated policies and guidelines.....	77	4.9.2 Regional and international cooperation.....	83
4.5.2 Integration of biodiversity into other sectors.....	78	4.10 CLIMATE CHANGE.....	83
4.5.2.1 Agriculture.....	78	4.10.1 National action on climate change.....	84
4.5.2.2 Forestry.....	78	4.10.2 Climate change research, monitoring, and evaluation.....	84
4.5.2.3 Wildlife resources.....	78	4.10.3 Climate change awareness.....	85
		4.11 IMPLEMENTATION OF THE STRATEGY.....	85

ANNEXES

4.11.1 Financing the Strategy.....	85
4.11.2 Coordination, review and updating of the Strategy	85
5. ACTION PLAN	88

ANNEX 1: LIST OF PROTECTED AREAS IN THE REPUBLIC OF SERBIA	114
--	-----

ANNEX 2: MAP OF PROTECTED AREAS IN THE REPUBLIC OF SERBIA	121
---	-----

ANNEX 3: LIST OF INTERNATIONALLY IMPORTANT BIRD AREAS (IBA), INTERNATIONALLY IMPORTANT PLANT AREAS (IPA) AND SELECTED AREAS FOR BUTTERFLIES (PBA) IN THE REPUBLIC OF SERBIA	122
--	-----

ANNEX 4: LIST OF POTENTIAL "EMERALD AREAS" IN THE REPUBLIC OF SERBIA	123
--	-----

ANNEX 5: LIST OF REGULATIONS RELEVANT FOR BIODIVERSITY PROTECTION IN THE REPUBLIC OF SERBIA	128
--	-----

ANNEX 6: LIST OF INTERNATIONAL TREATIES AND CONVENTIONS.....	131
--	-----
